

Gentlemen: The radio station I listen to is K-LOVE. I have been told that Low Power FM could take priority over my beloved K-LOVE. As a resident of the local community of Phoenix AZ, I would like to tell you that K-LOVE is the only Christian FM radio station that plays the kind of music that is positive and impacts my life on a daily basis. I go to work and am more kind to my fellow employees, than if I listened to head-banger music. If K-LOVE is displaced by an LPFM broadcaster, my local community is going to be worse-for-the-wear. I hear the kids comments on the air, from broken homes, that are encouraged and lifted up. You see The word from the Lord is proclaimed on the air and so goes the nation. I believe the service provided by K-LOVE is in the public interest because I know how it changes my life on a daily basis, to know that I am not the only believer in this city. We love our K-LOVE so much that we support them on a monthly basis of \$40 till Jesus Comes Back. I beseech you to search your heart, listen to the prompting of the Holy spirit and support our K-LOVE. You will be blessed. Thank You for listening.
